HOH – This means the screening will be subtitled for those hard of hearing but all are welcome. We also have headsets with enhanced audio and audio descriptions for most films (*please check with us before booking*).

RELAXED – Relaxed screenings are for anyone who would prefer a less formal film watching environment – there will be candles on tables, the code of conduct does not apply, you can get up and order drinks, we won't expect you to stay silent. It's like watching a film in your living room...just with a MASSIVE telly!! The screening will also have subtitles when available. **All welcome.**

TEC – Mae hyn yn golygu y bydd is-deitlau yn y ffilm ar gyfer pobl trwm eu clyw, ond mae croeso i bawb. Mae gennym setiau pen hefyd sydd â sain uwch a disgrifiadau sain ar gyfer y rhan fwyaf o'r ffilmau (*gwiriwch gyda ni cyn archebu*).

ANFFURFIOL – Mae ffilmau anffurfiol ar gyfer unrhyw un a fyddai'n well ganddo amgylchedd gwyllo ffilmlu llai ffurfiol – bydd canhwyllo ar fyrddau, nid yw'r cod ymddygiad yn berthnasol, cewch godi a mynd i ôl diodydd, ni fydd disgwyl i chi gadw'n dawel. Mae fel gwyllo ffilm yn eich ystafell fyw... ond ar deledu ENFAWR!! Yn ogystal, bydd is-deitlau i'r ffilm pan maent ar gael. **Croeso i bawb.**
